Tat Tvam Asi — Thou Art That.

The Travancore Devaswom Board warmly invites you to the Agola Ayyappa Sangamam.

Commemorating the Platinum Jubilee of the Travancore Devaswom Board, this historic gathering will mark a new chapter in the holistic development of Sabarimala, securing its place as a pilgrim center for generations to come. Guided by the Sabarimala Masterplan, the Sangamam will serve as a forum for meaningful discussions on sustainable development and the transformation of pilgrim facilities. Above all, it will be a sacred occasion to share the eternal message of Tatvamasī, celebrating the harmony, inclusivity, and fellowship that embody the spirit of Sabarimala.

We would be deeply honored by your esteemed presence at this momentous occasion, taking place on **September 20, 2025**, on the sanctified banks of the **Pamba River**.
